

The growth and success of Sectigo hinges significantly on our partner community. Our partners are our utmost priority, always. We strive to create and maintain true partnerships built on integrity and respect. Together as partners, we will secure customers with industry-leading web security products, while accelerating mutual growth and profitability. When you partner with Sectigo, you will:

align yourself with the global leader in cybersecurity solutions to secure websites, devices, applications, and users

have access to our extensive product portfolio and offer our full line of solutions with products and price points to meet the demand of any sized customer

receive tools, training, sales and technical support to help you sell across the portfolio

Connect. Secure. Succeed with Sectigo

This is more than a tagline; this is our commitment to you. The Secure Plus Partner Program demonstrates Sectigo's continued commitment and investment in the channel, providing a multi-tiered approach with a broad range of benefits for partners. This program advances our partners' ability to build new capabilities, deliver more customer value, drive more profitability and accelerate growth in today's cybersecurity market.

Sectigo SecurePlus Partner Program Benefits

The Sectigo Secure Plus Partner Program offers an array of financial, training and marketing benefits designed to increase your profitability, leadership and success in the cybersecurity landscape.

When you join the Secure Plus Partner Program, you will be granted access to the Connect Partner Portal where you will get quick, direct access to:

- Sectigo University free, web-based learning environment with Sectigo sales and technical training, webinars and more!
- Partner Resource Center sales collateral, technical product documents, marketing tools and guides
- SecurePlus Partner Program Benefits SecurePlus deal registration program, proposal-based MDF, rewards and more

The SecurePlus Partner Program recognizes and rewards partners for the value they contribute to selling and supporting Sectigo solutions across the entire customer lifecycle. Whether it is hunting a new sales opportunity, delivering a proof of concept or demonstrating vertical market expertise, the SecurePlus reward for value framework delivers innovative rewards and discounts.
